I/We would like to discuss a dedication gift.

I/We want our gift to be **anonymous**.

Unless you have checked the box above to tell us that you want your gift to be anonymous, The Nyack Library will be extremely pleased to announce your gift in support of our fund raising goals.

In all of our announcements, publications and Annual Report, when we describe your gift we will use

_____ as your donor's name. Such publication will honor your name while encouraging other members of our constituency to join you in support of our Library.

Your gift as set forth above, is an obligation upon which The Nyack Library is relying. The acceptance of your gift and the management and use of the funds as they are actually received, pursuant to this Donation Pledge and Acknowledgement Form, are the sole responsibility of the Board of Trustees of The Nyack Library.

The cost of the library addition will be paid for by a combination of a tax-exempt bond issue and grants from the State of New York. However, the size of the bond issue is limited by the amount of interest and principal we can reasonably commit to repay each year from our annual library property tax receipts. For that reason, our Board has decided to raise funds to cover the portion of the project we do not expect the bond issue or grants to cover, and to enhance the programs and services of The Nyack Library. To honor those of our residents who help us in this endeavor, generous donors will be invited by the Board to name portions of the project.
